

## HARRY H. MONTGOMERY

was an early benefactor and Board Chairman of Life Experiences. An avid golfer and sports enthusiast, he was a college football official, the quarterback and captain of the 1935 UNC 9-1 football team, an Honorable-mention All-American, and the Patterson Medal winner, awarded to the outstanding senior athlete in all sports in 1936.

During WWII, he was commander of LCI 489 which participated in Operation Overlord at Omaha Beach, shuttling over 4500 troops to the Normandy beachhead and rescuing 241 sailors from a sinking Susan B. Anthony two days later.

A former President of the Downtown Raleigh Rotary Club and a Paul Harris Fellow, he was on the Board of Directors of the Boys Scouts and President of The UNC General Alumni Association and on the Board of Visitors. At various times in his career he was either President or Chairman of the United Fund, Lions Club, Salvation Army, Chamber of Commerce, and Community Chest Fund.

Harry was President of W.H. King Drug Co. and retired as President of ICN Pharmaceuticals, Wholesale Operations. Upon his death in 1988, the first Life Experiences golf tournament was named in his memory.

## Job Opportunities

*Life Experiences* is in the business of helping adults with disabilities help themselves.

*Life Experiences* was formed in an attempt to mesh social and business goals into one environment for adults with disabilities in Wake County. Incorporated in 1978, the non-profit organization offers a choice of satisfying work experiences for adults with varying disabilities and at the same time allows those adults the self-esteem of earning a wage for their work.

*Life Experiences* depends on the donations of businesses and individuals, like you. With your support, we will not only continue to assist area individuals who strongly desire to work in a program such as ours, but we will be able to expand our opportunity to more people. Thanks to the hard work and generous contributions of many people, we built a new facility in 2002. Our new building is twice the size of our old facility and has allowed us to add more business opportunities.

For more information about our program, please call Mary Madenspacher at 467-1973, or visit our web site at [www.lifeexperiences.org](http://www.lifeexperiences.org).

Scott and Jessica take a break

The Harry H. Montgomery, *Life Experiences* Auction and Golf Tournament is the largest fund raiser of the year for this great organization. The on-going support and direct participation from the Cary, Apex, and Morrisville Rotary Clubs have been instrumental in making this event a huge success. Over the past 27 years, this event has netted over \$1,150,000 for *Life Experiences*.

The festivities begin on Sunday, September 20<sup>th</sup> in the Prestonwood Country Club Grand Ballroom. There are items to bid on in both Silent and Live Auctions including trips, artwork, sports outings, restaurant certificates, and much, much more.

The golf tournament on Monday offers a chance to show off your golf skills, win some extra prizes, and enjoy a terrific afternoon on a challenging golf course. This is a wonderful occasion, all to benefit a very special organization, *Life Experiences*.

We hope you will enjoy yourself so much that you will come back year after year to celebrate and support the special adults that make *Life Experiences* such a worthwhile endeavor.
